In an effort to treat the Volunteer Fire Department Membership in a more professional manner, a comprehensive application is being used to reflect the responsibilities that a volunteer in the fire department has, the same as a paid member. Please complete all pages of the application and return signed in appropriate areas on pages 2 & 6. If you are accepted to the Lineboro Fire Department as a member this application will serve as part of your personnel file.

To further emphasize the demands or needs of the Volunteer Fire Department in our community, a list of non-emergency service jobs on the last page of this application for your consideration. Matching your skills and desires to the job that will benefit your community is just as important to the Lineboro Volunteer Fire Department as a firefighter or Emergency Medical Technician.

Meetings are on the first Wednesday of each month at 7:30 PM.

Let it be understood and agreed that any misrepresentation of any information on this application will be sufficient grounds for dismissal of this application or termination from the Lineboro Volunteer Fire Department if I am accepted as a member. I also agree to abide by any rules the Lineboro Volunteer Fire Company sets forth upon my becoming or remaining a member. I agree to allow the Lineboro Volunteer Fire Department to verify my background as a condition to belong to the Lineboro Volunteer Fire Company Inc. Applicants under the age of eighteen must have their parents’ or guardians’ permission to belong and participate in activities. All applications are the property of the Lineboro Volunteer Fire Department Inc and are not for public review.
